Church Chuckle

John, an atheist was walking through the woods. "What majestic trees! What powerful rivers! What beautiful animals", he thought, when suddenly, he heard a rustling in the bushes behind him. He turned to look and saw a 7-foot grizzly bear charging towards him. John cried, 'Oh my God!' Time Stopped. The bear froze. The forest was silent. A bright light shone upon the man, and a deep majestic voice came out of the sky...."John, I thought you didn't believe in me." John looked directly into the light "I don't, and it would be hypocritical of me to start now ... but perhaps you could make the BEAR a Christian?" There was a pause. "Very well," said God. The light went out. The sounds of the forest resumed. The bear brought both paws together, bowed his head and said..."Lord, bless this food, which I am about to eat. Amen."
