MAID: Medical Assistance In Dying

MAID has been legal throughout Canada for many years. At first, it was seen as an exception, now it is often recommended and encouraged to patients by medical personnel in health care facilities. However, it is euthanasia, that is the deliberate killing of a person. Catholics and all believers in God need to be aware that it is against the commandment: "Thou shall not kill." You are invited to understand the Catholic Church's stand, the issues that are involved and the role of suffering. Please join Father John Hibbard in a presentation on MAID at Blessed Sacrament Church, September 23 at 7:00 pm. Light refreshments to follow.
