Sunday Reflection: June 13th

In the Gospel, Jesus points out that once a seed is sown in the ground, GOD allows the seed to grow and eventually produce a rich harvest. The stages a seed goes through as it sprouts, grows leaves, and produces grain is similar to the way GOD allows growth to take place in those who are part of the Reign of GOD. GOD is the giver of life and growth. We are invited simply trust the divine dynamic at play in our environment, accepting that there are moments when we are powerless to do anything more than plant whatever seed we have, then go on, sleeping and rising, night and day.

A Note from Fr. Shea

If your grade 2 student has completed the First Communion workbook and would like to celebrate the Sacrament of First Communion, please call the parish office at: 613-389-2009. If not, that Sacrament will be celebrated in October.

Sacred Heart of Jesus

The month of June is dedicated to The Sacred Heart of Jesus. This month falls within the liturgical season of Ordinary Time, which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection.
